

December 1, 2014

Dear CertainTeed Siding Products Group Customer:

Thank you very much for your ongoing support of CertainTeed Siding Products. We understand your concern for passing price increases to your customers and continue to work toward offsetting them through many cost saving improvements. However, overall costs for producing our products are expected to continue to rise faster than we can offset them through cost saving improvement projects.

As a result, **prices will increase effective with orders received beginning February 3, 2015**. All orders received on or after this date will be billed at this new pricing. Orders received through February 2, 2015, with firm specifications and shipped at plant convenience, will be fulfilled at the current pricing.

Product category increases will be as follows:

| | |
|---|-------------|
| CertainTeed Polymer Shakes, Vinyl Siding, Soffit and Accessories | 6-8% |
| Vytec Vinyl Siding, Soffit and Accessories | 6-8% |
| Restoration Millwork®/CertaTrim | 2-5% |
| EverNew® Railing | 3-6% |
| CertainTeed Selects™ Fence | 3-5% |
| CertaWrap™ Weather Resistant Barrier | 3-5% |

New price sheets with the specific details will be available in the next few weeks.

To ensure that you receive your price protected orders prior to the increase, we encourage you to place your orders as early as possible. All orders will be subject to current lead times and available shipping.

Your Territory Manager will be following up with you to answer any questions. Thank you again for your strong support of CertainTeed Siding Products.

Sincerely,

Deane C. Smith
Vice President, Sales
