To Our Valued Mitten US Distributors:

Price Increase Notification:

Due to the continued escalation of raw material and transportation costs, we are announcing the following price increase on the described Mitten and Ply Gem branded products:

- Vinyl Siding, Vinyl Soffit, Vinyl accessories 6% - 8%
- Polymer shingle and round cut siding and accessories 6% - 8%
- Aluminum Trim Coil 7% - 8%

This price increase will be effective with orders received January 30th, 2015.

Orders placed prior to close of business on January 29th, 2015, with firm specifications and shipped by February 15, 2015 will receive current pricing. All subsequent orders will be billed at the new, updated pricing with revised price sheets available in early January 2015.

Due to the possibility of a stronger shipping month in February, we encourage you to place your orders as soon as possible in order to gain the most effective pricing for the upcoming spring selling season.

We understand the challenges that price increases pose for our customers. We appreciate your commitment to our product categories. If you have questions, please contact your sales representative or customer service representative. As always, we thank you for your continued support.

Sincerely,

Jay Riley
Director of Sales
