RE: BULLETIN - Price Increase – Envision Decking

---

Due to continued cost pressures of raw materials, energy and transportation associated with the manufacturing of EverGrain Envision Decking Products, TAMKO Building Products will be raising our prices 5-7% on February 3, 2015.

**TAMKO reserves the right to implement additional price increases or to accelerate implementation of this price increase in advance of the general price increase of February 3, 2015.**

All orders placed on or after February 3, 2015 will be invoiced at the new prices.

Should you have any questions, please contact your Decking Manager.

As always, thank you for your continued support of TAMKO Building Products.
